

Marriages Performed by

Rev. John "Wesley" Post

From Oct 3, 1917 - Jul 1, 1937

Known as Rev. Wesley Post, he performed earlier marriages and a few later ones that are not included

Rev. Post was minister of the Union Church at Picher Oklahoma

Rev. Post came to Oklahoma in 1915 when the Picher Oklahoma hard rock lead and zinc mining camp was established.

Rev. Post was a foreman for Eagle-Picher Lead and Zinc
He was the first full-time minister and miner in the mining district
He was the first acting Mayor of the Camp and then the town
He was the first Police Judge in Picher
AND the first minister and founder of the Union Church at Picher

Rev. Post had the full backing of Eagle-Picher in all of his work for the company and they helped with any need of the Union church. Providing songbooks, beautiful solid oak benches, a large recreation/social addition to the church and assisted with the most beautiful and appreciated yearly Christmas treat-bags for anyone who attended Christmas Eve Services. The average attendance for this event was 500 persons up to 1,000 for the very generous bag of fruit and candy, and always a toy for the children. During the Depression Years this could well be the only gift the children might receive.

The marriage records were researched, organized and printed by Shirley Earp Mahurin
